

Its Time For...

SUMMER *Assignments*

Mandatory for select students and will be taken for a grade.

All rising K5-6th grade students will complete a summer Bridge Book or complete 15 hours of Moby Max.

For rising 7th grade-10th grade students, the Director of Academics has emailed you if you are required to complete the summer assignment. 7th-8th will complete 15 hours of Moby Max. 9th-10th read Out of The Silent Planet and answer the required questions.

MobyMax is an adaptive learning platform! Once any teacher's assignments are completed, you simply begin skill development from the icons on the dashboard. Modules that are covered are math, foundational reading, science, social studies, and language. MobyMax will adapt to the student by giving them lessons designed to fill in the gaps and keep them engaged throughout the process!
